# WORDPRESS DEVELOPER

## MOHD MOQUIT KHAN

---

I am a skilled WordPress developer focused on creating responsive, high-performance websites. My work combines clean design with efficient functionality, covering custom themes, plugins, and SEO to deliver impactful user experiences and drive client success.

## EXPERIENCE

---

### WORDPRESS DEVELOPER

WordSuccor Ltd.

*December 2021- November 2022*

As a WordPress developer, I design and develop custom websites that prioritize user experience, delivering high engagement and functionality. I work closely with cross-functional teams to create reusable themes and plugins, enhancing site performance and simplifying content management.

### WORDPRESS DEVELOPER

EffectiveSoft

*April 2018 - August 2020*

Developed and maintained responsive WordPress websites, customizing themes and plugins to enhance user experience and performance while collaborating with cross-functional teams to implement user-centered designs that improve workflow efficiency and drive client satisfaction.

### WORDPRESS DEVELOPER

TinyFrog Technologies

*September 2014 - January 2017*

As a WordPress developer, I led the creation of dynamic websites, customizing themes and plugins to enhance user engagement and functionality while collaborating with design and marketing teams to improve usability and boost client conversion rates.
